Find a COVID-19 vaccine: Search [vaccines.gov](https://www.vaccines.gov), text your zip code to 438829, or call 1-800-232-0233 to find a location near you.

Need help? Call Delaware's vaccine hotline: **1-833-643-1715**

Scheduling vaccination appointments:

- Many vaccination providers schedule appointments online.
- If you need help scheduling an appointment, have questions, or want to contact the Delaware Department of Health about COVID-19 vaccines, call Delaware's vaccine hotline:

1-833-643-1715

At your COVID-19 vaccination appointment:

- If you are a person with a disability and you need vaccine accommodations or help, call the **Aging and Disability Resource Center** at **1-800-223-9074**, or contact CLASI for assistance.
- When you get a vaccine, you and your healthcare provider will both need to wear masks that cover your nose and mouth.
- You should receive a paper or electronic version of a fact sheet that tells you more about the specific COVID-19 vaccine you receive.

Benefits of Getting a COVID-19 Vaccine:

- You are much less likely to get COVID. Plus, experts believe that getting a COVID-19 vaccine also helps keep you from getting seriously ill even if you do get COVID-19.
- Research suggests that fully vaccinated people are less likely than unvaccinated people to be infected without showing symptoms and potentially less likely to spread COVID-19 to others.
- Fully vaccinated people can resume activities without wearing a mask or physically distancing, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.

Note: You should still watch out for symptoms of COVID-19, especially if you've been around someone who is sick. If you have symptoms of COVID-19, you should stay home, away from others, and speak with a health professional.
