Elder Law Program

Providing free legal assistance to
Delawareans age 60 and over

EQUAL JUSTICE

**The Elder Law
Program (ELP)
of Community Legal Aid
Society, Inc. provides free
legal assistance to
Delawareans
age 60 and over.**

We provide a variety of services including:

- **Drafting Powers of Attorney and Advance Health Care Directives** (formerly known as “Living Wills”)
- **Assisting with Consumer problems** such as debt collection and home repair cases
- **Assisting with Housing problems** such as evictions, unsafe housing conditions and lock-outs
- **Assisting with issues involving public benefits** such as Medicaid and Social Security

There are no income requirements, but we target our services to those who are economically and/or socially in need; to those threatened with loss of income, housing or assets.

We make home visits for those unable to travel. We provide community education presentations and visit Senior Centers statewide.

ELP offices are located in each county. The addresses and telephone numbers are listed in this brochure.

Although the ELP is prohibited from charging a fee for services, contributions are welcome and are tax deductible to the extent permitted by law.

All services are confidential. Community Legal Aid Society, Inc. is an affirmative action agency.
